

Rx Safety Eyewear Program

PROCEDURES FOR OBTAINING PRESCRIPTION SAFETY GLASSES

- **Make sure all requested information is filled out in the “Ordering Safety Eyewear” application.**
 - **First & Last Name**
 - **Contact Phone Number**
 - **VZ #**
 - **Dept. #**
 - **Secure Credit Card ID#(see page 3 of instructions on how to obtain this#)**
 - **Credit card expiration date**
 - **Credit card holders phone number**

- **Print your customized SRx form.**

- **Make sure all requested information is filled out clearly and completely on the prescription SRx form.**
 - **Supervisor signature & phone #**
 - **Card holders signature**

- **Select an eyecare professional using the “Professional Eye Care Locator” application. These eye care professionals will have the approved safety frame kits for your frame selection. We request that you make an appointment with the eye care professional prior to visiting.**

- **The “Safety Frame Catalog” area of the application will display your frame options.**

- **Remember a valid prescription is required to process your order.**

- **All employee co-payments must be made by check, credit card or money order, at the time of order. This information is filled out on the top left side of the form in the "Charge card & payment Information" section. All co-payments are the responsibility of the employee**

- **The Eyecare professional will process your order and call you when your glasses are ready to be picked up.**

Personal Credit Card User Information

To adhere to the Federal Banking regulations 3M does not accept order forms containing actual credit card information. Please follow the directions below for proper processing of your order.

Note: Please disregard these instructions if your payment is made with a personal check or money order.

There are two options you may use to obtain your Secure CC ID Number:

Option 1 - Web Based

- Access web site at www.aosafetysrx.com/secure_id
- Enter Credit Card number
- Enter Credit Card expiration date
- Enter Card Holder's name as it appears on the card
- Enter Card Holder's email address; receipt will be sent via email to card holder for expense reporting *
- Enter Card Holder's contact telephone number
- Enter Card Holder's billing address, including city, state and zip code
- Select AUTHORIZE to obtain your Secure CC ID number;
—You can write this number down in the Secure Credit Card ID section on your 3M order form or if you provided an e-mail address, an e-mail will be sent to you with your CC ID number which can be printed. You will need to bring this number with you when you order your eyewear.

Please note: If you have a need to use multiple credit cards for your purchase/s, you will need a separate Secure CC ID Number for each card. Select Submit Another to obtain a second Secure CC ID Number for a different credit card.

*** If a receipt is required for your purchase the web based option must be used**

Option 2 - Telephone Access

- Dial toll-free number 866.235.5506
- Select Option 2 for a Secure Credit Card ID Number.
- Enter Credit Card number followed by the # sign
- Enter Credit Card expiration date; format should be MMYYYY
- Enter Card Holder's billing zip code
- You will be provided with a Secure CC ID Number; write this number down and bring it with you to the Eye Care Professional (optician)—You can write the Secure CC ID Number on the order form in the Secure Credit Card ID section

*** The Option 2 will not provide you with a receipt for your purchase. Please refer to Option 1.**

IMPORTANT NOTE: The Secure CC ID Number process does not charge anything to your Credit Card. Appropriate charges will be applied to your credit card after you have selected your eyewear with the Eye Care Professional (optician) and only if your eyewear selection includes co-pay items.
